

Mercy Njoki

**MSC. RENEWABLE ENERGY STUDENT
MAKERERE UNIVERSITY**

NJOKI MERCY is an MSc student in Renewable Energy at Makerere University in Uganda under the MIRET scholarship program. She holds a Bachelor of Engineering (B.Eng.) in Chemical and Process Engineering from Moi University, Kenya, which she obtained in 2019.

She worked as a credit analyst at Narok Golden Chance Sacco, Kenya, in 2020-2021 before joining Makerere University for her Masters. She also worked as a student engineer at Menengai Oil Refineries in 2019-2020 in Kenya.

Her research interests are on renewable energy resources and technologies and energy efficiency deployment.
